On UNSW Australia campus

There are two residential colleges which offer their rooms for booking during the uni holidays. The biggest advantage is proximity. While the accommodation is simple it is relatively inexpensive.

• New College Village (further information can be found at http://www.newcollege.unsw.edu.au/sydney/casual-accommodation)

Rooms are available for short stays during UNSW vacation breaks at the end of June/July and from November to February. During the UNSW study session, a small number of rooms are open for casual accommodation bookings. These rooms are in demand so it is advised to book well in advance.

New College Village is air conditioned and all rooms have kitchen facilities, an ensuite bathroom, work area and telephone. There is weekly housekeeping and bed and bath linen is provided. Shared laundry facilities are available and internet access is an additional cost. The room rates below assume a minimum stay of 2 nights.
