“Education is entirely about change - about drawing things out of people and creating the generations of the future. And effective change is inalienably about learning - figuring out the best way forward for the greatest good” (Hargreaves & Fullan, 2009). This workshop allows for participants to share their experiences to further understand the change process in schools.

PRESENTERS:

• **Professor Stephen Marshall** - Director of Learning and Teaching, UNSW
• **Jenny Davies** - Leadership Consultant, AIS
• **Shanti Clements** - Assistant Director, Leadership and Teacher Quality with the High Performance Unit
